How to update your profile

1. Click on Member Login and log into the site
2. Under the picture of the Badge with your name, click on the My Profile link.
3. Click on the Edit button.
   a. From here you can make changes to your phone, address, title and select which ECIA email notifications you would like to receive.

4. You have the option to change/upload a profile picture, change your password and view/pay invoices. (There may be a short delay in seeing all changes)
